MESSAGE:

The Sheldon Museum & Cultural Center would like to invite you to visit our Museum during your visit to Alaska's Southeast State Fair in Haines on July 26-28, 2007 (or whenever you are in the neighborhood!). The Sheldon Museum has received an award from the President's Committee on the Arts and the Humanities entitled Coming Up Taller for the Museum's Tlingit Language and Culture Program. We have on display the plaque we received from Laura Bush at the White House on January 22, 2007, as well as related Tlingit program pictures and artifacts. We would very much appreciate your taking time to visit. Thank you.

Subject: MidEast Trip/DoD Changes - CONFIDENTIAL

The DoD advised me today that they must delete the Iraq segment of = your trip to the MidEast due to the increased tempo of military operations.= If you decide to proceed with the trip, Kuwait and Germany would = still be on the schedule. I was also told that you would be the = only Governor on this particular trip.

My guess is that you will still want to go, because the vast majority = of Alaska National Guard troops are in Kuwait. However, I did not = want to make this assumption without asking you.

I understand that you would like to bring approximately 150 pounds of = Bristol Bay Salmon. My DoD contact has no problem with this as long = as the fish are properly packaged. I was also reminded by DoD that = you should bring lots of Alaska coins and lapel pins. I believe that = General Campbell can help with this.

I should also mention that, with the elimination of the Iraq segment, = you will probably return to DC on Thursday instead of Friday. = This might resolve the previous concern about getting you back to = Alaska in time for whatever you have planned on Saturday.

When convenient, please let me know what you would like to do, and I = will proceed accordingly.

Please note that my email address has = changed. My new email address = is <mailto:jwkatz@alaskadc.org> jwkatz@alaskadc.org. = Thank you .

Sounds good IVY! Glad he'll fit - he's got a lot to offer. It's sunny here - but we're knee-deep in budget so can't feel the sun on our shoulders today. Enjoy the day!

Dan is in town today and tomorrow. He's going to be great. Thank you both for brining him into the office. We're on the same page in terms of making good appointments, getting people plugged in, reaching out to supporters, diversifying regionally, etc. He'll bring a lot of knowledge in terms of drafting press releases, making contacts at community meetings and luncheons, reaching out to different constituencies, etc. It'll be good.

Thought I'd share.

Hi Governor! It's been very nice weather in Juneau, and very very quiet here with you all gone! They will box your office up tomorrow and begin asbestos removal Friday. That will take a week, then they will put in a new ceiling and new lights, which is due to be completed by the last week of July. I think it will look so much nicer when it's done. Dan doesn't talk much about work at home, but he's been very busy and I assumed it was jet related. I hope it's sold, that is one of the items I'll be so glad to see filed in the history files! Good luck on the budget, I know the job before you is tedious and enormous! After that's done, I hope you can take a deep breath and enjoy the 4th of July with your family! Kari

Hi K:

It's sunny here - but we're knee-deep in budget cutting so can't enjoy the 70-plus-degrees today - can't feel the sun on our shoulders inside the building :(

Hope all is well there - I'm glad we didn't schedule much in the evenings this week bc these are long days in the budget deliberations.

Thanks Kari! I hope you have an enjoyable, mellow day.

And there's rumors that we may have the jet sold?! If so- Dan deserves a toast.
